**Second Laboratory test Solemn Declaration** – zaškrtnete "I accept the above solemn declaration" – tím souhlasíte, že jste si vědom nutnosti o podstoupení druhého laboratorního testu na covid-19 na vlastní náklady při vstupu do Kyperské republiky.

#### 

#### Second Laboratory Test Solemn Declaration

I am aware and accept that I must undergo a second laboratory test and I will personally pay for the cost of this COVID-19 laboratory test upon my entry into the Republic of Cyprus.

I accept the above solemn declaration

Note 1: Passengers arriving in the Republic of Cyprus from Red Category countries, having performed two laboratory tests, i.e. one laboratory test with sampling carried out 72 hours before their departure and one laboratory test upon their entry in the Republic of Cyprus, will not remain in a state of self-isolation or mandatory isolation (quarantine), if the results of both laboratory tests are negative.

Note 2: If you belong to the below categories of passengers who have the option not to perform a laboratory test 72 hours before departure but instead to perform a laboratory test only upon their arrival in the Republic of Cyprus and you have selected this option, please do not fill in the above covid-19 test information and do not accept the above solemn declaration. It is understood that in such a case, i.e. if you choose to perform a laboratory test, only upon your arrival to the Republic of Cyprus and not 72 hours before departure, you will remain in a state of compulsory self-isolation or mandatory isolation quarantine for 72 hours following your arrival and you must repeat a molecular test RT-PCR for COVID-19, upon completion of the 72 hours, at your own expense, as described below.

#### Passengers who meet the requirements for one laboratory tests only upon arrival in the Republic of Cyprus

Note: This section should be completed by passengers belonging to the following categories of passengers who have the option to perform laboratory testing only upon their arrival in the Republic of Cyprus, and they have chosen to use this option.

If you belong to at least one of the following Passenger Categories, who have been granted the option of having the COVID-19 tests performed ONLY upon your entry to the Republic of Cyprus, paying personally the cost of the laboratory tests for COVID-19 and you have decided to use this option, please tick the relevant box:

- O Cypriot citizens and their family members (foreign spouses and their minor children).
- Persons legally residing in the Republic of Cyprus
- O Persons allowed to enter in the Republic of Cyprus under the Vienna Convention.

I solemnly declare that I am aware of my obligations, as described below and the consequences of the Law in the event of my non-compliance, in case I have chosen to undergo laboratory testing ONLY upon my arrival in the Republic of Cyprus:

I am aware and accept that I will personally pay for the cost of the Covid-19 laboratory test, in case I have chosen to perform the Covid-19 laboratory test, only upon my entry into the Republic of Cyprus.

I am aware and accept that, in case I have chosen to conduct a laboratory test, upon my arrival in the Republic of Cyprus, I must remain in a state of compulsory self-isolation, for 72 hours following my arrival and I must repeat a molecular test RT-PCR for COVID-19, upon completion of the 72 hours, at my own expense, and I will send the result of my laboratory test to the email address monada@mphs.moh.gov.cy.

I am aware and I accept that the self-isolation will be terminated, provided that I will repeat a molecular test RT-PCR, 72 hours following my arrival and the result of the repeated laboratory test RT-PCR is negative.

I accept above solemn declarations
